

PREAPPROVED MATERIALS LIST

BLUE SHEETS

SUBMITTALS FOR FIELD QUALIFICATION ELECTRICAL EQUIPMENT AND MATERIALS

PROJECT MANAGER: _____

PROJECT: _____

CONTRACT NO.: _____

SUBMITTING
CONTRACTOR: _____

DATE SUBMITTED: _____

CONTRACTOR
REPRESENTATIVE: _____

PHONE: _____

‘BLUE SHEET’ INSTRUCTIONS

These sheets are to be furnished for each project, by the Project Manager. They are also found on the City of Gresham’s Internet site. They will be provided for each project, to insure that they are the most current copy.

These sheets will be accepted as equipment list in accordance with 00960.02 of the Standard Specifications.

INITIAL SUBMITTAL

The Contractor will:

1. Submit appropriate Certificate of Materials Origins (CMO) form 734-2126 as required
2. Fill out the Blue Sheets based on the projects requirements
 - a. In the **CONTENTS** pages check the box for all items that are “**ON PROJECT**”. **This removes the need to submit the materials page(s) for the items not on the project.**
 - b. For materials that are on the project:
 - i. Check the listed brand and circle the model to be used, or
 - ii. Write in a brand and model proposed for installation based on the project plans and specifications. Submit one Catalog cut sheet for initial qualification.
 - iii. Except for conduit and wire, do not mark more than **two** options per item.

The Inspector will:

1. Review initial submittal and fill out the **INITIAL SUBMITTAL** box in the CONTENTS pages and specific materials pages for listed materials.
2. Submit write in products to the Traffic Signal Engineer for approval.
3. Return one copy of the Blue Sheets to the Contractor

CONSTRUCTION

Materials delivered to job site shall be **clearly marked** as to brand and model/part description (verified on materials) or shall be accompanied by supplier’s certification as to brand and model/part description (copy attached).

The Contractor will:

1. Install materials QUALIFIED by the Inspector during the INITIAL SUBMITTAL. Install per plan and specification.
2. The required CMO’s will be submitted prior to the materials being installed.

The Inspector will:

1. Verify materials installed match the Contractors INITIAL SUBMITTAL. Verify the materials are installed per plan and specification.
2. Fill out the INSPECTED & ACCEPTED ON PROJECT box for each specific materials page.
3. Send a final copy to Traffic Engineering Operations Section after construction.

OTHER

The contractor shall continue to submit **6 copies** of the following according to 00960.02: Mast Arm Poles and Arms, Strain Poles, Luminaire Extensions, Luminaires, Railroad Preemption Signs, etc. In addition, use the **Green Sheets** for conditionally qualified control equipment.
