11.0700 Optional Conferences and Pre-Application Conference

11.0701 Purpose

- A. Optional Early Assistance Design Advice. The purpose of the Optional Early Assistance Design Advice meeting is to permit a conversation with the Design Commission prior to the applicant beginning the Development Permit process by submitting for a Pre-Application meeting. The Design Commission is not rendering a decision at this meeting on whether the proposal meets the Design Principles, Guidelines and Standards of the Design District nor is this meeting an exhaustive review of all potential issues. The conference does not bind or preclude the City from enforcing all applicable regulations or from applying regulations in a manner differently than may have been indicated in the Optional Early Assistance Design Advice.
- B. Pre-Application Conference. The purpose of the pre-application conference is to acquaint the applicant or representative with the requirements of this code, including relevant approval criteria, standards and procedures. It is designed to assist the applicant. The pre-application conference is not an exhaustive review of all potential issues, and the conference does not bind or preclude the city from enforcing all applicable regulations or from applying regulations in a manner differently than may have been indicated in the pre-application conference.
- C. Optional Design Commission Consult. The purpose of the Design Commission consult is to provide an opportunity for the applicant to gain initial insight into the Design Commission's preliminary evaluation of whether the proposal appears to meet the Design Principles, Guidelines and Standards of the Design District. The Design Commission is not rendering a decision at this meeting nor is this meeting an exhaustive review of all potential issues. The conference does not bind or preclude the City from enforcing all applicable regulations or from applying regulations in a manner differently than may have been indicated in the Design Commission consult.

11.0702 Applicability

Table 11.0204 identifies all applications that require a pre-application conference. The Optional Early Assistance Design Advice and the Optional Design Commission Consult meetings are optional for the applicant and not a requirement.
