

The Vance Open Space Project

Join us for a
Community Open House!

Saturday, September 20th

11:00 AM - 2:00 PM

Eastwood Court
Community Room

18270 SE Yamhill St

Enjoy food and
beverages!

Participate in raffles
and kids activities!

**You're invited to review
the updated Vance Park
design concept!**

This refined concept was
shaped by community
feedback we received at an
open house in April.

This is a free event.

Childcare and language
interpretation available.

For more information, contact Ana Gonzalez,
Engagement Coordinator, anagonzalez@verdenw.org

Reimagining over 40 acres of open space in Rockwood

The Vance site is a 90 acres of land owned by Multnomah County. Over 40 acres have been dedicated as park and open space, expanding on the existing Vance Park. Vance Park currently has a playground, futsal court, disc golf course, and community garden, and there's opportunity to meet more parks and open space needs in the community. What other amenities should the park have?

Come check out the updated Vance Park concept!

In April, we shared two design concept with the Rockwood community. We took all of your thoughtful feedback and created **one refined concept**.

Now we want to hear from you again!

We're excited to share what's next for Vance Park and to hear your ideas on how it can better serve the neighborhood.

For more information, contact Ana Gonzalez, Engagement Coordinator, anagonzalez@verdenw.org. Learn more about the project at multco.us/programs/vance-vision-plan.
